Tallinn

4 of March 2022 nr 1-2/12

Campaign “Supporting Ukraine”

This decree is established on the basis of §6, subsection 2, point 5 of Tallinn City Council’s 18.10.2007 ordinance No 31 „Tallinn Central Library’s Base Ordinance“ and § 4, subsection 5, and § 5, subsection 7, of Tallinn City Council’s 02.06.2016 ordinance No 19 „Usage Regulations of Tallinn Central Library“.

1. The goal of the campaign “Supporting Ukraine” (hereafter: campaign) is to support war refugees in Estonia:
 - 1.1 enabling the use of computers to communicate with the Estonian state and their homeland, which they left behind due to the war; to keep in touch with friends and family; to search for a job and educational opportunities in Estonia;
 - 1.2 supporting the reading habits of war refugees and their children;
 - 1.3 integrating them into the Estonian society through different library services.
2. All war refugees who present an identification document, which confirms that they are from a country in which war is taking or recently took place, while registering as a patron of Tallinn Central Library receive their library card free of charge as part of the campaign.
3. All war refugees can print, copy and scan documents that are necessary for communicating with the state, finding work and educational opportunities, free of charge as part of the campaign.
4. Implement this decree from the 4th of March 2022.
